

REMARKS

Applicants respectfully request entry of the §312 amendment to correct minor wording error that has gone overlooked with regard to claim 8. In particular, claim 8 was amended earlier in the prosecution to independent form, but some of the wording relating to its previous designation as a dependent claim was not omitted. Therefore, this §312 amendment corrects that oversight.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'MB McNeil', with a stylized flourish at the end.

Michael B. McNeil
